Women's Mental Health Through the Lifespan

Speaker: Anne Hofer, CHI Health

Psychiatric Mental Health Nurse Practitioner

Anne has been a registered nurse since 2009 working in a variety of settings including psychiatry, pediatrics, and internal medicine. She graduated in 2017 with her MSN from the University of Nebraska Medical Center. Anne sees patients of all ages and conditions and specializes in perinatal (before, during and after pregnancy) psychiatry as well as women's health psychiatry. Her interest in women's health and perinatal psychiatry was born largely from difficulty that she faced after the birth of both of her children and the struggle to obtain adequate care in the area where she was living.

Visiting HDR's Headquarters

1917 S. 67th St. | Omaha, NE 68106

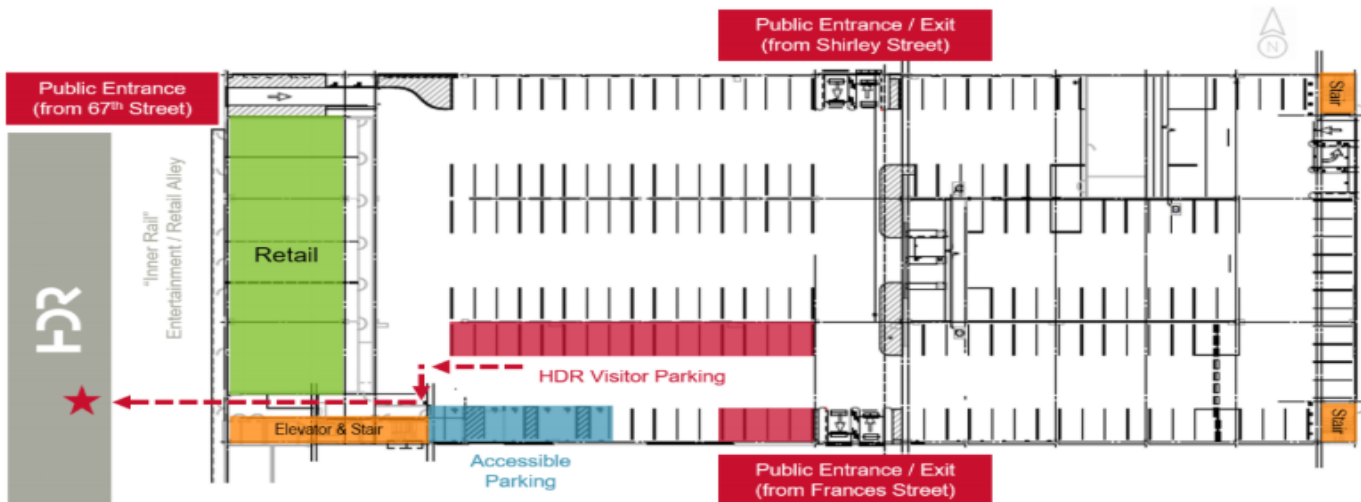

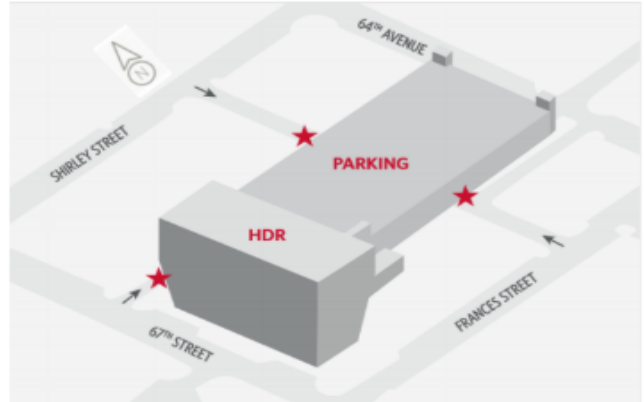

Our corporate headquarters stands tall in the heart of Aksarben Village, a mixed-used development in midtown Omaha. We've played an integral role in developing Aksarben Village. Today, we're proud to call it our home.

Where to Park

1930 S. 64th Ave. | Omaha, NE 68106

Free parking is available in the parking garage directly east of our building. The Ground Level of the parking garage is open to the public. You can enter the garage from the north via Shirley Street, from the south via Frances Street or from the west via 67th Street.

There are 20 stalls reserved for HDR visitors along the southwest side. If all reserved spaces are utilized, you may park in any other non-reserved stall on the Ground Level.

Note: Doors to HDR's headquarters building are open from 7 a.m. to 6 p.m., Monday through Friday.

Once You've Parked

1. Walk across the Inner Rail and enter the building from the east side. Look for the door with the HDR logo.
2. Proceed down the hallway to the main lobby facing 67th Street.
3. Check-in with the security guard at the front desk. He or she will call the person you're visiting and ask them to greet you.
